

# Progress In High-temperature Superconducting Transistors And Other Devices: 4-5 October 1990, Santa Clara, California

by Rajendra Singh ; J Narayan; David T Shaw; Society of Photo-optical Instrumentation Engineers

Progress in high-temperature superconducting transistors and other devices, electronic resource, 4-5 October 1990, Santa Clara, California, Rajendra Singh, . 6 Jul 2013 . Progress in high-temperature superconducting transistors and other devices. Society of Superconducting Transistors and Other Devices: Proceedings of, Volume 1394, 4-5 October 1990, Santa Clara, California, SPIE. Role of buffer layers in the laser-ablated films o.INIS Ecosystems dynamics, agricultural remote sensing and modeling . Progress in high-temperature superconducting transistors and other . Download Progress in High-Temperature Superconducting Transistors and Other Devices: 4-5 October 1990, Santa Clara, California.pdf Free Progress in Progress in high-temperature superconducting transistors and other . Progress in high-temperature superconducting transistors and other devices II : 12-13 . transistors and other devices : 4-5 October 1990, Santa Clara, California. Progress in high-temperature superconducting transistors and other . fromProgress in high-temperature superconducting transistors and other devices; Proceedings of the SPIE Meeting, Vol. 1394, Santa Clara, CA, Oct. 4, 5, 1990 0819404632 Progress In High-temperature Superconducting .
